Mr. Charlie O'Hearn  
Owner and CEO  
Plexus Communications  
7325 Sale Ave.  
West Hills, CA 91307

Dear Mr. O'Hearn,

We at Childrens Hospital Los Angeles and the children we help are very grateful for your commitment to provide a portion of your labor hours billed to benefit our mission of taking care of the most seriously ill and injured children of Los Angeles. In addition, we are looking forward to creating and building a partnership with Plexus Communications.

Childrens Hospital Los Angeles offers every child who comes through our doors access to exceptional medical care in a family-centered environment. Last year, the hospital treated over 102,000 young patients, and more than two-thirds of these children were under the age of twelve. Our mission is "to advance the health and well-being of children and adolescents by integrating medical care, preventive services, medical education, and research in response to the needs of our patients and in an atmosphere of love, compassion, and respect for people."

I appreciate your kind outreach to our hospital. Thank you again for partnering with us in this very special way to accomplish our mission. I look forward to an ongoing association with your company and welcome the opportunity to strengthen this relationship.

Thank you,

**Miriam Burgos**

Associate Director, Corporate Relations  
Childrens Hospital Los Angeles
